CLASSIFIED TOWN

THE TOILERS.

In Classified Town there were men of all grades; Men with professions, and men who had

Butchers and bakers and furniture makers; Tinkers and tailors and owners of acres.

They held a great meeting, it filled a large hall There were speeches and papers that pleased on and all:

But the one great event remained for the last When this resolution was cheeringly passed:

"Resolved, That all workers their thanks should extend

To Times want ads, they're the workingman's

To those seeking work they point out the way, To just the right job, at just the right pay."
